Interest-free and tax-free economic system
with active basic income + life without debt

**Gradido, the interest-free and tax-free economic system
for economic orderliness / collocation
with active basic income + life without debt**

Currently there are about 4,600 people on the [Gradido-Platform](#), where Gradido can be experienced in a playful way. For example, there are discounts with Gradidos.

[Gradido- Ambassador](#) are currently 100 in number,

also developable.

A small calculate example,
when each of the 100 ambassadors, 3 people in 3 months
informed and inspire, excited, enchanted ... ;-)
Gradido can be implemented in 7 years.

**If you collaborate,
it is much faster.**
